“as local as possible, as international as necessary.”
Localisation in Coordination – Conceptual Framework

- Governance & Decision Making
- Influence and Participation
- Partnerships
- Funding
- Institutional Capacity
Partnership

The extent to which national actors think their staff safety has been taken into account

- Completely
- Somewhat
- Not at all

The extent to which international actors think their national partner's staff safety has been taken into account

- Completely
- Somewhat
- Not at all

Is the budget sufficient to meet the targets and minimum quality standards?

- National
- International

- Completely
- Somewhat
- Not at all
Partnership

Do you feel respected by your partner?

- International
  - All the time: 80%
  - Sometimes: 15%
  - Not at all: 5%

- National
  - All the time: 80%
  - Sometimes: 15%
  - Not at all: 5%

Do you feel your partnership allows you to maintain your mandate, obligations and independence?

- International
  - All the time: 80%
  - Sometimes: 15%
  - Not at all: 5%

- National
  - All the time: 80%
  - Sometimes: 15%
  - Not at all: 5%

Do you feel your organisation's challenges and constraints are acknowledged and taken into account?

- International
  - All the time: 70%
  - Sometimes: 20%
  - Not at all: 10%

- National
  - All the time: 60%
  - Sometimes: 30%
  - Not at all: 10%

How comfortable are you raising concerns or disagreements with your partner?

- International
  - All the time: 70%
  - Sometimes: 20%
  - Not at all: 10%

- National
  - All the time: 60%
  - Sometimes: 30%
  - Not at all: 10%
“Telling you your weakness is one thing. Helping you out is something different.”
Institutional Capacity

What risk mitigation/capacity strengthening support was provided in response to the capacity assessment

- Nothing mentioned in agreement
- Monitoring of compliance
- Budget or technical support to address weaknesses
