

PAF Engagement Plan Workflow - 01//Overall

LEGEND

	TEXT	Action by actors involved
	TEXT - OUTPUT	Document or output subject of the Action
		Mean of consultation: Teams
		Mean of consultation: Chat or Meeting
		Mean of consultation: Email
		Type of engagement actor: Consulted (consultant does not continue until he confirms the action by the actor)
		Type of engagement actor: Informed (consultant continues after a deadline provided for the action by the actor)

*NOTE on WORKSTREAMS

The Consultant together with the IRC-DRC RBP Team identifies topics that should require a joint work with key actors. The Consultant sets up the Work Stream in Teams, indicates TIME and OUTPUT expected, and facilitates the exchange within the Teams. The participants would not be involved for more the 3 weeks, for a an average 1 day (cumulative) per week.
