PROTECTION CLUSTER SOUTH SUDAN – MONTHLY UPDATE

November 2023

- In November 2023, Protection Cluster members in South Sudan provided 274K
 protection services to vulnerable displaced, returning and resident communities, bringing the yearly total to 2.8M. During the period, 8 UN agencies, 12 international and 29 national NGOs were active in all states of South Sudan covering 80% of counties.
- In Novermber 2023, the PC reviewed 135 partner's project proposals for the 2024 HNRP. 84 projects were approved resulting in an ask of 120M USD. The PC intends to do an analysis of proposals submitted and look at how to streghtehn partners capacities when it comes to project proposals in 2024.
 In November 2023:

- UNHCR: Vulnerability profiling in Renk/Upper Nile State
- The Protection Cluster team conducted PROMO/PMS trainings for Norwegian Refugee Council (NRC) and International Organization for Migration (IOM) protection staff who will be conducting PMS interviews in areas where they deliver protection services.
- In November 2023, the Protection Cluster published a disability and inclusion themed Protection Analysis Update focusing on protection risks faced by persons with disabilities and older persons [Link]. To ensure the participation of OPDs and PWDs in this endevure, This PAU was the product of the collective effort of the PAU Taskforce. The Taskforce con
